

Software Development with GenAI Program by Coding Ninjas Job Bootcamp

This document outlines the terms and conditions for the Software Development with GenAI Program by Coding Ninjas Job Bootcamp (Sunrise Mentors Private Limited). By enrolling in this program, you agree to the following terms:

1. All classes will be delivered primarily in English, requiring a laptop and a stable internet connection.
2. The learning journey spans **6 months** of core learning, supplemented with additional content to enhance the learning experience.
3. Refund (including Loan Cancellation) is not permitted after **7 days** from the batch start date. Refund requests made within the **7-day refund period** will be processed, and the full amount paid will be credited back to the original payment method. For example, if the batch start date is 10th of the month, you can request a refund until 16th of the same month.
4. Placement assistance will be provided until you secure your first job. To become eligible for placement opportunities, you must first meet the prerequisite conditions, including earning Skill Badges by completing mock interviews, assessments, resume verification, and other required tasks.
